This is a total "hands-on" program in which participants actively take part in government activities and programs as part of a fully self-governing society. These activities include participation in government at the Executive, Legislative, and Judicial level and include elections, law enforcement, and press participation among other opportunities.

Those participants selected will be given a unique opportunity to prepare them for the leadership positions of tomorrow. Former Boys Staters nationwide are leaders today in many facets of government, military, business, and professional life, including the President of the United States.

The Indianola American Legion will be selecting two highly qualified Junior boys to attend this very popular and high profile event. Applications are available from the Guidance Office. **The deadline for application will be to the Guidance Office by the 15th of January.** Selected participants will be notified by the end of February.
