The cost right now is \$25. It will increase during winter break!

You may also bring a check (made payable to IMS) or exact cash to Mr. Damman at school (room 507).

Parents, if you thought you ordered an IMS yearbook at the time you paid for school curriculum fees at the beginning of the year, you did not. The option is not available through our website or Revtrak for IMS yearbooks.

Prepare Your Families with Lifesaving Skills During the Holidays

From the American Heart Association...

At this time of year, many of us celebrate traditions and share gifts with those we love. One of the best gifts we can give our loved ones is the ability to save a life in an emergency. About 70% of cardiac arrests happen in homes and many – far too many – family members are not prepared for a cardiac emergency.

That is why our school is encouraging families to learn the life-saving skill of Hands-Only CPR and to have an amazing chance to become a CPR lifesaver if ever needed. Please take a few minutes to watch the American Heart Association Hands-only CPR video here: [Hands Only CPR](#).

Immediate CPR can double, or even triple, a cardiac arrest victim's chance of survival!
