Transportation Reminder

The middle school is a transfer point **only** for before and after school. Parents should be dropping off and picking up their children at their attendance center if they have plans other than their typical bussing needs.

According to the Student Transportation Handbook (found on the Indianola website): *'Elementary and high school students will be picked up at their **attendance center** if they are riding the school bus. . . . Elementary parents **cannot pick up or drop off elementary students at the Middle School** for transportation.'*
