News for the Week of November 11, 2024...

Do You Like Math Problems?

If your student enjoys solving math problems and would like to be challenged in this way, encourage participation in the MathCounts Competition Series. MathCounts is a wonderful experience that will enhance a love of math. You can read more about the program at [the MathCounts website](#).

The regional competition will be held in Ankeny on February 13, 2025. Students should sign up with their school Google account by completing [this Google form](#) by Friday, November 15. Students should see Mrs. Asell if they want to participate but are involved in music activities every morning.

Parent Schoology Access *Please Read*

We understand that navigating Schoology can be new for some families, and we want to ensure you are comfortable using the platform to support your student's learning. To assist with this, we have created three helpful guides:

1. **How to Sign in to Schoology**

This walks you through the steps of signing into Schoology, so you can stay updated on your child's academic progress, assignments, and announcements.

2. **How to Check for Mastery in Schoology**

Learn how to view your child's mastery progress for individual learning standards in their courses. This feature allows you to track how well your child is performing on key concepts and skills.

3. **Proficiency Scale Explanation**

This video walks through an explanation of the levels of proficiency we are using when reporting student progress. It also provides an explanation of how the proficiencies do not align to the traditional A-B-C-D-F.

Watch the videos here:

Standards-Based Reporting

A letter was emailed to parents a couple weeks ago with helpful information about our shift to the Standards-Based Reporting (SBR) grading system.

Here is the link to the Parent's Guide:

Yearbooks

Time to order yearbooks through [Iostens](#). The price is \$25 right now.

Parents, please make sure your student brings earbuds/headphones to school.

Requesting a Bus Pass

If your child needs to ride the bus home with a friend, the Transportation department must receive a parent request **3 business days before the day of the trip** to allow proper planning. Passes normally will be approved as long as there is room on the bus and the request is submitted on time. To contact the Transportation department, please call 515.961.9592 or email wendy.gehringer@indianola.k12.ia.us.
