Battle of the Books

If you are participating in Battle of the Books (BOB), this is just a reminder to keep reading books from [the list in this Google Sheets link](#). Feel free to make a copy of this Google Sheet so you can take notes in its various tabs. The Battle of the Books competition is different this year compared to years past. Testing to determine our two teams of six students will occur mid-February. Complete [this Google Form](#) by 11/29/23 if you intend to take this test to try to be on a team.

Once we have our two teams, the Virtual Qualifying Competition will be held late February to early March to determine the top 16 teams that will advance to the in-person Grand Battle in Cedar Falls on April 12, 2024. This year's guest author at the Grand Battle will be Huda Fahmy, so be sure to read her book on the book list if your team qualifies for the Grand Battle.

7th and 8th Grade Boys Basketball

Parents, an email was sent to you Monday, November 13, regarding Boys Basketball sign-ups. Please refer to that email for the sign-up link and meeting/practice details.

If you have not already, please make sure that you turn in all the required forms: **(1) [sports physical](#)**, **(2) [insurance waiver](#)**, and **(3) [concussion form](#)** for this year. Without these forms, your athlete will not be able to participate in practices or games until we have received the completed forms.

MS Boys Basketball practices will begin after Winter Break on Wednesday, January 3rd. As a reminder, this will be an early out, so study tables will be an option for those looking to stay after school for practice.

This and That...

Hawki Health Insurance

As the public health emergency declaration has come to an end, and with the addition of a third managed care organization (MCO), we have found many families have slipped through the cracks and lost their health coverage through Medicaid and Hawki. Through our partnership with EveryStep, we have a Hawki Outreach Specialist in our office at Warren County Health Services who is trained to complete presumptive eligibility (PE) determinations for children. This special Medicaid application typically provides the child temporary Medicaid coverage to bridge the gap during the application review process, allowing families to receive outpatient medical and dental services, including immunizations. We can complete these determinations via phone or by appointment in our office.

Please see the links below if you are struggling with the reapplication process.
