[Veterans Day Assembly News](#)

Good news! All IMS students and staff will now be attending the Veterans Day Assembly in-person! The assembly will be held at 9:30 am on Thursday, November 9, in the IMS Fieldhouse. Copies of the [invitation](#) are available in the Communication Center outside the office. Students are encouraged to take one to give to each veteran in their lives so that we can honor their service. If a veteran invited by a student attends the assembly, then that student will be excused from class at 9:20 to meet that veteran and any guests in room 303. Students just need to let their teacher know that they're leaving class to join their veteran at the assembly.

Hawki Health Insurance

As the public health emergency declaration has come to an end, and with the addition of a third managed care organization (MCO), we have found many families have slipped through the cracks and lost their health coverage through Medicaid and Hawki. Through our partnership with EveryStep, we have a Hawki Outreach Specialist in our office at Warren County Health Services who is trained to complete presumptive eligibility (PE) determinations for children. This special Medicaid application typically provides the child temporary Medicaid coverage to bridge the gap during the application review process, allowing families to receive outpatient medical and dental services, including immunizations. We can complete these determinations via phone or by appointment in our office.

Please see the links below if you are struggling with the reapplication process.
