School Info...

Veterans Day Assembly

The Veterans Day Assembly will be held at 9:30 am on Friday, November 8, in the IMS Blake Fieldhouse. Printed copies of the [invitation](#) are available in the Communication Center outside the office. Students are encouraged to take one to give to each veteran in their lives so that we can honor their service. If a veteran invited by a student attends the assembly, then that student will be excused from class at 9:10 to meet that veteran and any guests in the Chris Street Gym. Students just need to let their teacher know that they're leaving class to join their veteran at the assembly.

From the Library

Your October reading challenge is to individually, or with a partner, read a book from the Horror section OR a book with the word *spider* or *baf* in the title OR a book with an orange cover. See Mrs. Hunget or Mrs. Richardson for more information.

IMS Doors Open at 7:30 A.M. Plan Accordingly

Parents/Guardians/Students: Just a reminder that IMS doors **do not open until 7:30 each morning**. Students should dress appropriately for the weather if they arrive at school before that time; jackets, long pants, umbrellas, etc. If you have to drop your child off early, or if your child walks to school, please keep in mind that bus transportation is available. Contact Transportation at 515.961.9500 x1620 for more information.

Parent Schoology Access *Please Read*

We understand that navigating Schoology can be new for some families, and we want to ensure you are comfortable using the platform to support your student's learning. To assist with this, we have created three helpful guides:

1. **How to Sign in to Schoology**

This walks you through the steps of signing into Schoology, so you can stay updated on your child's academic progress, assignments, and announcements.

2. **How to Check for Mastery in Schoology**

Learn how to view your child's mastery progress for individual learning standards in their courses. This feature allows you to track how well your child is performing on key concepts and skills.

3. **Proficiency Scale Explanation**

This video walks through an explanation of the levels of proficiency we are using when reporting student progress. It also provides an explanation of how the proficiencies do not align to the traditional A-B-C-D-F.

Watch the videos here:

Standards-Based Reporting

A letter was emailed to parents a couple weeks ago with helpful information about our shift to the Standards-Based Reporting (SBR) grading system.

Lost ID's

School ID's: Students, if you lose your school ID, you may request one replacement per year. First, though, you should check your email; one of the secretaries will send you a message if it has been turned into the office. If you don't receive an email within a day or two of losing it, come to the office to request your one replacement.

Bus ID's: If you lose your Bus ID, check with your bus driver first. Then, check your email or the office. If you don't find it within a day or two, tell your bus driver so that they can request a new one. We do not make Bus ID's in the main office; those come from the Transportation department.
