Camp Information: We are excited to have you join us for camp! It is going to be a great way to get a sense of what high school soccer is all about, as well as get to know the coaching staff! We are just as excited to get to know you and begin to do our part to help your soccer development!

The High School Prep camp is scheduled to run Monday-Friday from 5:15-6:45 on the Indianola Turf Field. We will be following track practice so when you arrive please be respectful and stay out of the facility until you are told it is clear to enter. Please be early and prepared with cleats, shin guards, soccer socks, water, and anything else you might personally need. We will provide size 5 soccer balls to use, but you may bring your own if you wish.

Weather in March can be unpredictable. Please dress in layers that are easy to shed or put back on as the temperature fluctuates. It is better to overdress than under prepare and be cold. If the weather is so poor that we are not able to be outside, we have time reserved in the Middle School Fieldhouse. We will not know our time slot until the day of. Your contact information is pertinent to help communicate any changes. If for some reason we are not able to be on the turf or indoors then we will cancel that day and **will not** make it up.

The goal is to have T-shirts available at the start of camp. If your registration comes in closer to the camps start day there is a chance that your shirt will need to be mailed at the conclusion of camp.

All payments are non-refundable. The only instance in which refunds will be honored is if we do not have enough athletes registered and are forced to cancel the camp. I do not foresee this as a likely possibility.

Please return this form with Payment to the Middle School Main Office or High School Athletic Office as soon as possible. I will pick forms up each week and confirm your registration via email.

GO INDIANS!
