Project Research

- **1 page, Times New Roman, 12 pt.font, double spaced**
- **Refer to scoring rubric**
- **Can include the history of the event/project, what takes place, collaboration that would occur with others and their roles, any information supporting the need and who this project helps and how**
- **Describe how your self-assessment results were used to make the decision to pursue this project. What do you hope to learn from this experience?**
