*Drop off: 7:30 – 8:00am Pick Up 4:00 – 4:30pm

Cost per Day: Member-\$35 Non-Member- \$50

Shake it Up!

Does your child have too much energy? Bring them to the Y for a day full of movement! We will spend time learning about different styles of dance. Children will learn a routine throughout the day.

Date: Monday, March 12th

Kids Crafts

This day long program is designed to awaken your child's imagination. Kids will tap into their artistic side to create numerous art projects using different types of mediums.

Date: Tuesday, March 13th

Legos: WeDo 2.0 Programming

Join us for a day full learning basic programming. We will be using the Legos WeDo 2.0 sets to build Milo the Rover Bot and learn how to make him do fun things.

Date: Wednesday, March 14th

Break Out Box– Crown Jewel Heist

The crown jewels have been stolen from the Jewel House at the Tower of London. The thief has been tracked back to the USA. Anonymous sources have claim that the thief and the jewels are now being stashed at the Indianola YMCA. Let your child join us for a day of sleuthing and see if we can recover the jewels before time runs out

Date: Thursday, March 15th

Mad Scientists

Does your child have an interest in doing experiments? Let them spend the day with us creating different types of slime, gak, flubber, and more. We will also do other fun experiments using common household items like baking soda, dish soap, shaving cream and more. This may be a bit messy!

Date: Friday, March 16th

Saturday Youth Programs: 7-12yrs

The Indianola YMCA is offering Saturday Youth programming during spring break. Let your child join us for these half day programs!

Ages: 7-12yrs old

Time: 9:00 – 1:00pm

Cost per Day: Member-\$20 Non-Member- \$30

Break Out Box: Spring Edition

Four hours is all the time your kids will have to break into a well guarded and locked box. Breakout boxes are a fun way for kids to use critical thinking skills, and teamwork to solve challenging mysteries. All riddles and puzzles will be placed around the entire YMCA. If all the enigmas are cracked within the 4 hours, the kids will break into the box and will receive their reward.

Please have kids bring a lunch and snack for this program

Date: Saturday, March 10th

Roller Coaster Physics

What goes up, must come down... right? Let your child join us for a day of learning about gravity. We will be creating a gravity based rollercoaster out of pool noodles, and other supplies. We will also have an egg drop and other numerous gravity themed projects.

Please have kids bring a lunch and snack for this program

Date: Saturday, March 17th
