

Welcome 2018-19 Purple and Gold Early Childhood Program and Kindergarten Students.

The district is pleased to offer online registration for all preschool and kindergarten students. Online registration will be available in early March on the Indianola website, www.indianola.k12.ia.us, by clicking on the Enrollment link under District.

If you have a child who will be **four years of age (preschool) or five years of age (Kindergarten)** on or before September 15, 2018, please register beginning early March.

The Indianola Community School District has four elementary attendance centers: Emerson, Irving, Whittier and Wilder. The district offers a full-day kindergarten program. Two calendar choices—Traditional and Year-Round Education (YRE)—will be offered. The year-round program is open to all district students and is located at Irving Elementary. **Please note:** Year-Round Education (Irving) students will follow the traditional calendar for the 2018-19 school year **only** due to renovations at Irving over the summer.

The Purple and Gold Early Childhood Program will be offered at Whittier Elementary. These programs may offer morning and afternoon sessions five days a week pending enrollment.

We strongly encourage all parents to register your children now so we are able to prepare for your child's arrival next fall.

You are **legally** required to provide the following documents for your child before he/ she can start school:

- ✓ **Up-to-Date** Child's Immunization Records or Appropriate Waiver (preschool **and** kindergarten)
- ✓ Child's proof of birth; e.g., Birth Certificate (preschool **and** kindergarten)
- ✓ General Physical Examination (preschool **and** kindergarten)
- ✓ Proof of Dental Screening (kindergarten)
- ✓ Proof of Blood Lead Screening (kindergarten)
- ✓ Proof of Vision Screening (kindergarten)
