Family/friends that wish to observe will enter at the north gym doors and be seated in the west side bleachers. Attendees will use the gates by the tennis courts and enter the gym on the north side. Signs will be posted. It is a tradition where students and their guests are introduced to the public prior to the dance. The prom attendees will parade across the gym floor in a lighted pathway to the magical center spotlight. You are welcome to take pictures inside the gym at your seats, in the hallway where there will be a hedge wall available to take additional photos.

And, since you'll be hungry after all that dancing during Prom, we've made sure there will be lots of food! Still not quite convinced you want to attend?
