NURTURING YOUR CHILD'S POTENTIAL

Would you like your child to participate in age-appropriate activities and beat the winter blues? Check out the programs we are offering this winter! Youth Enrichment Programs are free for Y Members; a fee will apply for non-members.

1st T Golf- The First Tee DRIVE program to introduce the participants to the basics of golf. Participants will use over sized golf equipment to play skill building games in a fun and exciting atmosphere.

Rookie Sports Sampler- This is a preschool level sports program that introduces kids to sports through an environment focused on exercise, socialization and teamwork. This consists of loosely structured play to help kids develop motor skills, build confidence and enhance socialization skills.

Explore Outdoors- We are passionate about supporting a child's discovery of the awe and wonder of the natural world while helping to be more confident in the outdoors. This program will connect kids to the outdoors with hands-on activities, close-up investigation, team building, outdoor learning, and fun.

Space Squad- Get ready for a program that's truly out of this world! we will blast off our learning with space activities to discover our immense solar system and how astronauts explore it. Mission control, we are go for launch!

Rookie T-Ball- is a preschool-level sports program that introduces kids to sports through an environment focused on exercise, socialization and team work. it consists of loosely structured play to help kids develop motor skills, build confidence and enhance socialization skills.
