## Introduction

Welcome to the Indianola Child Care Program. This handbook is designed to explain the policies and procedures of the Program. The term parent used throughout this handbook refers to any parent, foster parent, guardian or other person legally responsible for providing care. Please take the time to read through the handbook.

## Organization

Indianola Child Care is owned and operated by the Indianola Community School District and licensed by the Department of Health and Human Services (HHS). The program is supported solely by child care fees. Indianola Child Care schedules employees to meet a 1:15 employee to child ratio for grades K-5 and 1:12 for preschool.

Any child attending school in the Indianola Community School District, preschool-grade 5, may be enrolled in the Indianola Child Care Program. Wrap around child care is also offered to preschoolers enrolled in the 4 Year Old Purple and Gold Program. Kindergartners are eligible to begin the summer before they attend Kindergarten. Children need to be toilet trained to attend.

Enrollment at each center is based on state licensing standards and space availability. The centers have the following licensing capacity: Emerson 60, Irving 90, Whittier 60, Wilder 60 and Preschool ICC 30.

## Indianola Community School Board Policies

The Indianola Child Care Program adheres to the policies of the Indianola Community School district. School Board Policies can be found on the school district web site [www.indianola.k12.ia.us](http://www.indianola.k12.ia.us).

## Goal

To create a fun, comfortable, and safe environment that will allow children to develop self-confidence, self-discipline, and a good self-image.

# Supervision and Access

## Parental Access

Parents have unlimited access to their child and to the providers caring for the child during the center's hours of operation, or whenever their child is in the care of the center, unless parental contact is prohibited by court order. A copy of a court order must be on file with the center if any biological parent is to be denied access to a child. The parent or guardian must always sign their child in and out each day their child attends Indianola Child Care.

## Authorization Forms

Parents will need to complete an authorization form that includes the names, numbers, and relationship to the child, of all of those persons allowed to pick-up the child. Persons not listed on the authorization form will not be allowed to pick up your child, unless directed by a parent via phone or written message.

Anyone authorized to pick up a child who has had a sex offense against a minor shall not be allowed on the center property, except for the time reasonably needed to transport the child to and from the center, unless they have the written permission of the director. The center director is not obligated to provide written permission, and may adopt more restrictive rules regarding sex offenders. However, if written permission is given, the director must consult with the DHS licensing consultant prior to giving permission. Written permission shall include the location in the center where the sex offender may be present, the reason for their presence, the duration of their presence, and a description of the staff supervision that will be provided in order to ensure that no child is alone with the sex offender.

## Volunteers with Unrestricted Access

Any volunteer who has unrestricted access, which means that a person is alone with a child, or is directly responsible for child care, must be at least 16 years of age. Volunteers must sign a statement indicating whether or not they have had a conviction of any law in any state, or any record of founded child or dependent adult abuse in any state. They must sign a statement indicating whether or not they have a communicable disease or other health concerns that could pose a threat to the health, safety, or well-being of the children. They must complete the HHS Criminal History Child and the Request for Child Abuse Information Form. They must sign a statement that they have been informed and are aware of the Mandatory Reporting responsibilities. Anyone required to have an Iowa State record check is also required to be fingerprinted (the national criminal record check).

## Mandatory Reporters

The Department of Health and Human Services requires caregivers to report suspected cases of child abuse. This reporting also includes the reporting of parents who appear to be impaired by drugs or alcohol.

# NOTICE OF NONDISCRIMINATION

ICSD Board Policy Code No. 102.E2

It is the policy of the Indianola Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy, please contact the Superintendent's office, 1301 East 2nd Avenue, Indianola, Iowa 50125, 515-961-9500.

Small groups of children may be transported within the Indianola city limits in a school van. Passengers will be required to be secured in a seat belt or an appropriately approved child restraint system while transported as required by law. The van will be driven by a child care employee with a Class D3 chauffeur's license.

The Indianola Community School District carries liability insurance for the program. Medical claims for individual children remain the responsibility of the parent or guardian.

# Participation Policy

The Participation Policy clearly states the responsibilities of the Indianola Child Care employees, parents, and children.

## Employee Responsibilities:

- Provide a safe and caring environment for your child
- Provide a variety of activities for your child
- Communicate regularly with you, the parent, concerning your child
- Serve as a positive role model for your child

## Parent Responsibilities:

- Sign your child in and out each day
- Notify Indianola Child Care of child absences (call the center, email Director, or note prior to absence)
- Respect the 6:00 am opening and 6:00 pm closing times
- Notify, in writing or email, any changes on the enrollment or emergency forms (address, phone number authorized to pick up information, etc.)

## Child's Responsibilities:

- Always show respect for others
- Always show respect for other's property
- Keep hands and feet to self
- Be polite in words and actions - no foul language or put downs
- Pick up an activity before choosing another one
- Use outdoor equipment safely
- Run only when it's part of an activity or safely outside
- Be responsible for any toys, games, or equipment brought from home
- Use good table manners
- Be a good representative of Indianola Child Care while on field trips or activities

# Behavior Guidelines

Social growth is crucial during elementary years. Indianola Child Care will focus on helping children to learn appropriate behavior. Positive disciplinary methods including, but not limited to, redirection and behavior management programs will be used. Behavioral guidelines, included in the Participation Agreement, have been established with the goal of maintaining the physical and emotional well being of each child, as well as teaching self-discipline, judgment, and manners.

The Child Care center will use a Behavior Report or a Problem Report for recording disciplinary action. A copy of the Behavior Report or Problem Report will be given to the parent. The Behavior Report lists the behaviors expected of the child in the Participation Agreement listed on page 14. A Problem Report will be used in extreme cases when a Behavior Report is not sufficient.

If a child receives three Problem Reports, a conference between the Director and the parent(s) will be scheduled. After the conference, if a child receives an additional Problem Report another conference will be scheduled to determine the enrollment status of the child.

In cases where a Problem Report is not sufficient (physical contact to another child or employee, continuous disruptive behavior, etc.) a child may be suspended from the Indianola Child Care program. The length of the suspension will be determined by the Child Care Director. Child Care payments will be required during suspension.

Parents and teachers are viewed as partners in guiding a child's development and this approach will be utilized.

## Discharge Policy

Children may be discharged from the program for failure to meet center policies, failure to pay, inability of a child to adjust to group experience, or other reasons as determined by the Director. A child that poses a threat to other children, employee, or his/herself may also be discharged from the program.

## Biting Policy

Biting is a very common behavior among children ages birth to three years. Biting is a form of communication, as biting is almost always a response to the child's needs not being met or coping with a challenge or stressor. When observing signs that a child might be on the verge of biting, the provider may be able to act immediately and prevent the biting behavior (i.e., distraction, redirection, close physical presence of the teacher).

If biting incident does occur, the provider will respond by:

- Keeping their feelings in check and not express frustration or anger to the child
- Ensure all children are safe; applying first aid if necessary
- Address the child who bit in a short, simple and clear way
- Shift their attention to the child who was bitten and show concern and support for that child
- Go back and talk with the child and the different strategies she/he can use next time, instead of biting
- Help the children move on. Do not make them play with one another, unless they want to (Zero to Three, 2010).

The provider will fill out an Accident & Problem Report and share information about the incident with parents of involved children. When informing parents that their child has been bitten or bit another child, it is important for providers to maintain the confidentiality of the other child. When biting occurs more than once, the providers should observe the child and document observations, including behaviors and context (where, when, how, who - adult and children) both before and after biting occurs to identify functions of the behavior. It is also helpful to know when the behavior is absent. Providers will then use the data to find patterns and potential solutions, and meet with the family to collect information about the child's behavior at home, share information and demonstrate a commitment to working together to address the child's needs.

## Grievance Procedure

The following procedure is in effect to resolve grievances involving a parent and/or employees.

1. Attempt to solve the problem with the people involved. Most problems are minor or the result of misunderstanding and can be solved by the directly affected parties.
2. If the problem cannot be resolved to everyone's satisfaction, go to the immediate supervisor and clearly state that you have a grievance.
3. The immediate supervisor and all of the people involved will meet in an attempt to resolve the dispute. After reviewing all relevant information, the group (chaired by the immediate supervisor) will attempt to resolve the dispute. Decisions will be made with the consensus of all of the people involved if at all possible. If the consensus cannot be reached, the immediate supervisor will decide and detail what actions are necessary.
4. If the immediate supervisor's solution does not satisfy the grievant(s), the parent and/or employee may appeal the decision to the Director. All records of the previous meeting will be forwarded to the Director for review. The Director will meet with the parent and/or employee.
5. If the Director's solution does not satisfy the grievant(s), the parent and/or employee may appeal the decision to the Business Manager. All records of the previous meeting will be forwarded to the Business Manager for review. The Business Manager will meet with the parent and/or employee. A decision will be reached at this meeting.
6. The parent or employee can appeal the decision to the Superintendent. The superintendent's decision is final.
