

# Summer Groceries

The Helping Hand of Warren County understands that it can be tough when school's out and you might not have access to regular meals. That's why we're excited to announce our Summer Groceries Assistance Program!

Starting June 1st, we'll be providing extra groceries to Warren county families in need. You and your family can stop by once a month to pick up fresh fruits, vegetables, snacks, pantry staples, and more, completely free of charge.

No one should have to worry about where their next meal is coming from, and we're here to help.

Spread the word to your friends and family! Together, we can make sure families in Warren County have enough to eat this summer.

Let's make this summer one to remember, filled with good food and great memories!
